DEPARTMENT OF ATOMIC ENERGY

RESOLUTION

Constitution of the Atomic Energy Commission

Bombay, March 1, 1958

No. 13/7/58-Adm.—The Department of Atomic Energy was established in August, 1954 and since then research and development in the peaceful uses of atomic energy have made important and rapid strides and a greatly expanded programme is envisaged for the future, in the course of which India should be able to produce all the basic materials required for the utilisation of atomic energy, and build a series of atomic power stations, which will contribute increasingly to the production of electric power in the country These developments call for an organisation with full authority to plan and implement the various measures on sound technical and economic principles and free from all non-essential restrictions or needlessly inelastic rules. The special requirements of atomic energy, the newness of the field, the strategic nature of its activities and its international and political significance have to be borne in mind in devising such an organisation.

After careful consideration, the Government of India have decided to establish an Atomic Energy Commission with full executive and financial powers, modelled, more or less, on the lines of the Railway Board. This Commission will replace the Commission set up in the late Department of Scientific Research Notification No. F-402/DSR/48, dated 10th August 1948, which is hereby cancelled.

- (c) for the implementation of Government's policy in all matters concerning atomic energy.

5. Within the limits of the budget provision, approved by Parliament, the Commission shall have the powers of the Government of India, both administrative and financial, for carrying out the work of the Department of Atomic Energy.

Chairman.

All recommendations of the Commission on policy and allied matters shall be put up to the Prime Minister through the Chairman.
- (b) The Chairman shall have the power to overrule the other members of the Commission, except that the Member for Finance and Administration shall have the right to ask that any financial matter, in which he does not agree with the Chairman, be referred to the Prime Minister and the Finance Minister.

Member for Finance and Administration.

- 7. The Member for Finance and Administration shall exercise the powers of the Government of India in all financial matters concerning the Department of Atomic Energy. No proposal with financial implications shall be sanctioned without his prior concurrence.
- 8. The Commission shall have power to frame its own rules of procedure. The Commission shall meet at such times and places as may be fixed by the Chairman.

In case the person concerned does not satisfy the requirements of sub-rule (5), the family pension shall be granted to the person next lower in that order.
 - Note. The provisions of clause (b) of sub-rule (7), sub-rule (8) and sub-rule (9) of rule 21 shall apply in respect of nominations made under this sub-rule also.

- 23. Emoluments for purposes of calculation of Cratuity/Pension and Death-cum-Retirement Cratuity.—(1) The term 'emoluments' used in these Rules shall be taken to mean the emoluments which the member of the Service was receiving immediately before his retirement or death as the case may be and shall include:—
 - (a) substantive pay other than pay drawn in a tenure post;
 - (h) personal pay granted in lieu of loss of substantive pay in respect of a permanent post other than a tenure post and, if so directed by the Central Government, personal pay granted on any other personal consideration;
 - (c) special pay including that drawn in a tenure post, if-
 - (i) where the special pay is granted for a specific addition to work or responsibility, no post carrying such work or responsibility has been sanctioned; or
 - (ii) where it is allowed in respect of a temporary appointment outside the ordinary line, the temporary appointment is not of a like character to any of the existing permanent appointments;

- (d) officiating pay in a post which is substantively vacant and on which no officer holds a lien or in any post temporarily vacant in consequence of the absence of the permanent incumbent on leave without allowances or on transfer to foreign service;
- (c) such other pay or allowance which the Central Government may by general or special order classify as emoluments for the purpose of this rule.
- (2) In the case of a member of the Service who is officiating in another permanent post which is substantively vacant "emoluments" means
 - (i) the emoluments which would be taken into account under this rule in respect of the appointment in which he officiates, or
 - (ii) the emoluments which would have been taken into account under this rule had be remained in his substantive appointment,

whichever are more favourable to him.

- (3) The monetary allowance attached to the King's Police Medal and the Indian Police Medal shall not be treated as forming part of the emoluments of the recipient for the purposes of this rule.
- (4) The term 'average emoluments' means the average of the emoluments drawn during the last three years of service.
 - Note: (i) If during the last three years of his service, a member of the Service has been absent on leave with allowances or having been suspended, has been reinstated without forfeiture of service, his emoluments for the purposes of accertaining the average should be taken at what they would have been had he not been absent from duty or suspended.
 - (ii) If during the last three years of his service a member of the Service has been absent from duty on leave without allowances (not counting for pension) or suspended under such circumstances that the period so passed does not count as qualifying service, the period of such leave or suspension shall be disregarded in the calculation of the average, an equal period before the three years being included.
 - (iii) In the case of a member of the Service who, while on leave preparatory to retirement, is confirmed in the higher post which he held in an officiating or temporary capacity before proceeding on such leave, his substantive emoluments in the higher post, which he would have drawn had he been on duty, shall be taken into account for the purpose of calculation of his average emoluments.
 - (iv) Except as provided in clauses (a), (b) and (c) above, only emoluments actually received shall be included in the calculation. For example, where a member of the Service is allowed to count time retrospectively towards increase of pay but does not receive retrospectively the intermediate periodical increments, these intermediate increments shall not be reckoned in the calculation of average emoluments.
 - (v) Periods of joining time which fall within the last three years of service of a member of the Service shall form part of the three years for the purpose of average emoluments.
 - (vi) Where the emoluments of a member of the Service have been reduced during the last three years of his service, otherwise than as a penalty, average emoluments, may, at the discretion of Government, be substituted for emoluments for the purpose of calculation of the gratuity or death-cum-retirement gratuity admissible under rule 18 or rule 19.
- 24. Counting emoluments drawn in a post which carries a pay higher than the substantive pay.—In the case of a member of the Service who quits service on an invalid, superannuation and retiring pension or invalid gratuity and who during the period from the 1st January, 1948, to the 31st December, 1962 holds or has held before retirement a permanent post in a provisionally substantive or officiating capacity, or a temporary post in a substantive or officiating capacity, where such post carries a rate of pay higher than his substantive pay but the increase over substantive pay does not count for pension or gratuity or death-cum-retirement gratuity under clause (d) of rule 23 of these Rules:—
 - (i) his average emoluments for pension as calculated with reference to rule 23 shall be increased—

either

(a) by one-half of the difference between the average emoluments so calculated and the average emoluments which would result if such post or posts were permanent and he had held them substantively for the period of service rendered in the higher post or posts between the 1st January, 1948 and 31st December, 1962.

or

- (b) by thirty-three and one-third per cent. whichever is less.
- (ii) The death-cum-retirement gratuity and gratuity where admissible, calculated on the basis of emoluments reckoned with reference to rule 23 shall be increased—

either

(a) by one-half of the difference between the amount so calculated and the amount which would have been arrived at as if such post or posts was permanent and he had held them substantively;

(b) by thirty-three and one-third per cent, whichever is less;

- Provided that the increase referred to in clauses (i) and (ii) shall be allowed only to such member of the Service as had held continuously a higher post or posts
 - (a) for period of not less than two complete years immediately before the date of his retirement.

01

- (b) for two or more spells during the last three years of his service, the last spell covering a period of two years or more, in which case the concession shall be admissible in respect of all the spells.
- Note.—(1) For the purposes of clauses (i) and (ii) all kinds of leave taken during the last two years of service shall be included in the two-year period, if it is certified that the member of the Service would have continued to hold the higher post or posts if he had not proceeded on leave.
- (2) In the case of a member of the Service who while continuously holding a higher post or posts is confirmed in a higher post, the period after confirmation may, where necessary, be included in the prescribed period of two years.
- (3) So long as a member of the Service holds a post higher than his substantive post for two complete years immediately before the date of his retirement, it is not necessary that he should have hold the same higher post throughout that period.
- (iii) The concession allowed by this rule shall be admissible during a period of leave also provided that the member of the Service had continuously held a higher post or posts for two complete years immediately before proceeding on leave and it is certified that he would have continued to hold that post for the entire period if he had not proceeded on leave. For the purposes of reckoning the two-year period, any spells of leave (including commuted leave and extraordinary leave) not exceeding four months at a time shall not constitute an interruption of duty.
- (iv) The pension of a member of the Service who retired on or after the 29th October, 1951, shall be revised in accordance with clause (i) but the increased pension shall have effect only from the 1st August, 1952.
- (v) From the increase in the amount of gratuity admissible under clause
 (ii) of this rule over the amount admissible calculated on the
 basis of emoluments reckoned with reference to rule 23, shall be
 deducted a sum, in respect of the period between the date of
 retirement and the 1st August, 1952, calculated at the rate of the
 monthly pension equivalent to the amount of increase on the
 basis of the communication regulations framed by the Central
 Government under rule 25, with reference to the age next birthday
 after retirement.
- (vi) Special pay which does not count as emoluments under rule 23 in view of the restrictions in sub-clauses (i) and (ii) of clause (c) of sub-rule, (1) thereof shall, be treated as 'officiating pay' or 'pay drawn in a temporary post', as the case may be for the purpose of benefits under this rule.
- 25. Commutation if pension.—A member of the Service may commute his pension under such conditions and to such extent as may be prescribed by Regulations made in this behalf by the Central Government after consultation with the Governments of the States.
- 26. Acceptance of employment after retirement.—(1) A pensioner shall not accept any commercial employment before the expiry of two years from the date of his retirement, except with the previous sanction of the Central Government. No pension shall be payable to a pensioner who accepts a commercial employment without such sanction in respect of any period for which he is so employed or for such longer period as the Central Government may determine:
 - Provided that a pensioner who has been permitted by the Central Government to take up a particular commercial employment during leave preparatory to retirement shall not be required to obtain subsequent permission for his continuance in such employment after retirement.
 - Explanation.—(1) "Commercial employment" means employment in any capacity including that of an agent, under a company, firm, or individual, engaged in trading, commercial, industrial, financial or professional business, and includes a directorship of such company and a partnership in such firm.
 - Explanation.—(2) For the purpose of this sub-rule the expression "the date of retirement" in relation to a pensioner re-employed after retirement, without any break either in a Class I pest under the Central Government or in an equivalent post under a State Government, shall mean the date on which such pensioner finally ceases to be so re-employed in Government service.

- (2) A pensioner shall not accept any employment under a Government outside India, except with the previous sanction of the Central Government. No pension shall be payable to a pensioner who accepts such an employment without such sanction in respect of any period for which he is so employed or for such longer period as the Central Government may determine:
 - Provided that a pensioner who has been permitted by the Central Government to take up a particular employment under a Government outside India during his leave preparatory to retirement shall not be required to obtain subsequent permission for continuance in such employment.
 - Note.—"Employment under a Government outside India" shall include employment under a local authority or corporation or any other institution or organisation which functions under the supervision or control of a Government outside India.
- 27. Anticipatory payments.—(1) Where a member of the Service is likely to retire before his pension can be finally assessed and settled in accordance with these rules, the Accounts Officer shall sanction the disbursement to him of pension to which, after the most careful summary investigation that the Accounts Officer can make without delay, he believes the member of the Service to be entitled, on the basis of his verified qualifying service, provided that such disbursement shall be made only after the declaration specified in Schedule 'I' has been signed by the retiring member of the Service.
- (2) If the Accounts Officer considers it likely that, in a case contemplated under sub-rule (1), the member of the Service would be entitled to gratuity only, one-sixth of the amount of gratuity which, after the most careful summary investigation that the Accounts Officer can make without delay, he believes the member of the Service to be entitled shall, upon a similar declaration, be disbursed to him monthly until the amount is finally settled or for six months, whichever period is less.
- (3) The payment of the anticipatory pension or gratuity shall be so arranged that it is not delayed beyond the first day of the month following the month in which the member of the Service is due to retire.
- (4) If, upon the completion of regular investigation, it be found that the pension thus summarily assigned differs from the pension finally settled, the difference shall be adjusted in the first payment after such final settlement:
 - Provided that if a gratuity summarily assigned under sub-rule (2) proves to be larger than the amount finally settled, the retired member of the Service shall not be required to refund any excess actually paid to him unless otherwise decided by the State Government.
- (5) Subject to the general conditions prescribed above, the anticipatory payments of death-cum-retirement gratuity and family pension may also be sanctioned to the extent of 3/4ths of the amounts clearly admissible on the basis of the qualifying service as verified upto the date of sanction, and after a declaration in the form given in Schedule 'I' has been signed by the recipient.
- 28. Miscellaneous.—(1) Retirement benefits under these Rules shall be calculated to the nearest multiple of 5 naye paise:
 - Provided that the retirement benefits in respect of a member of the Service who retired prior to the 1st April, 1957 shall be calculated to the nearest anna, that is, where the exact amount works out to six pies or more, it shall be taken to the next higher anna, amounts below six pies being disregarded.
- (2) The retirement benefits under these Rules shall be drawn in rupees in India only.
- (3) Applications for the grant of retirement benefits under these Rules shall be made in such form as may be prescribed by the Central Government.
- (4) The sanction and payment of retirement benefits admissible under these Rules shall be regulated by such procedural instructions as may be issued by the Central Government.
- (5) A pension under these Rules shall be payable from the date on which the member of the Service quits service or from the date of his application for pension whichever is later:
 - Provided that where satisfactory explanation is forthcoming for the delay in making an application for pension, the State Government may allow the pension to take effect from the date on which the member of the Service quit service.

- (6) The claim of a member of the Service to the retirement benefits shall be regulated by the rules in force at the time when the member of the Service resigns, retires or is retired or discharged from service or where the member of the Service dies while in service immediately before death.
- (7) The authorities competent to retire a member of the Service on different kinds of retirement benefits shall be those indicated in Schedule J.
- 29. Interpretation.—If any question arises relating to the interpretation of these Rules, it shall be referred to the Central Government whose decision thereon shall be final.
- 30. Repeal.—All rules corresponding to these rules in force immediately before the commencement of these rules are hereby repealed.

- 2. The Committee shall, before making any recommendations to the Central Government, give an opportunity of being heard to every person who has made a representation to the Committee, if he makes a request in writing to be heard:

Provided that if the Committee is of opinion, having regard to the nature of the representations or the interests involved or any other relevant circumstances, that it is expedient so to do, the Committee may, instead of hearing individually every person who makes such a request, hear only such persons as in its opinion are sufficiently representative of any class or group of persons involved.

- 3. Conditions of recognition.—On the receipt of an application under rule 2 the Central Board of Revenue may recognise any such jewellery as is specified in the application as the heirloom of a Ruler subject to the conditions that the following declarations are made by the Ruler in the application, namely:—

Provided that the aggregate amount of the wealth-tax payable in respect of the jewellery for all the said assessment years shall not in any case exceed 50 per cent. of its market value on the valuation date relevant for the assessment year in which the recognition was withdrawn.

ORDER

Under the Delimitation of Parliamentary and Assembly Constituencies Order, 1956, Mahisadal Constituency in Midnapore district sends two members to the West Bengal Legislative Assembly. One of the seats to be thus filled is reserved for members of the Scheduled Castes. In the last general election there were seven contestants for the two seats. Of these only three Mahatab Chand Das, Indubhusan Das and Hriday Nath Das were qualified to contest the seat reserved for the Scheduled Castes.

The poll took place on the 7th March 1957. The votes polled by different candidates were:

(1) Prafulla Chandra Ghosh (P.S.P.)	•••	36,854
(2) Mahatab Chand Das (Congress)		36,848
(3) Deba Prasad Garga (Congress)		35,735
(4) Girish Chandra Chaulya (Hindu Mahasabha)		6,756
(5) Indubhusan Das (Hindu Mahasabha)		7,214
(6) Hriday Nath Das (Praja Socialist Party)		33,886
(7) Sripati Charan Boyal (Independent)		6,659

The result was announced on the 20th March, 1957 at 2 a.m. and in view of the votes polled Mahatab Chand Das and Prafulla Chandra Ghosh were respectively declared returned candidates for the reserved and the general seats

Anadi Mehta, the present petitioner, is an elector in Mahisadal Constituency. He challenges the election of the two returned candidates on various grounds. According to him respondent No. 1 himself and through his agents, as also some other candidates and persons named in the petition were guilty of the corrupt practices of bribery, of exercise of undue influence on voters and of making systematic appeals to voters on the ground of caste on a large scale. It is further complained that the election was vitiated on account of various irregularities and non-compliance with the provisions of the Constitution and the law relating to election. Yet another ground of challenge mentioned in the petition is that nomination papers of certain candidates who were "fundamentally disqualified for election" were accepted and that all this materially affected the election of the returned candidates and rendered the entire process of election invalid.

Respondent No. 1 Prafulla Chandra Ghosh was the only respondent who put in appearance and contested the petition. None of the other respondents appeared at the hearing and the case proceeded ex-parte against them. I)r. Prafulla Chandra Ghosh denied the allegations made in the petition and pleaded that it was a frivolous and mala fide petition engineered by some designing and interested persons. The details pertaining to various grounds of challenge will appear from the issues framed.

Parties went to trial on the following issues:

1. Did respondent No. 1 on or about the 4th February, 1957 agree to pay Rs. 400 to Bipin Behari Pal of Gopalpur to induce him to use and exert his influence with the voters of his village and its neighbourhood in the last election as alleged in paragraph 5A(1) of the petition, and pay on or about the 4th of February 1957 Rs. 200 out of the abovementioned sum at Gopalpur?

- 2. Did Gunadhar Mallik obtain Rs. 50 from respondent No. 1 at Baybartohat on 6th of March 1957, and pay it to Surendra Nath Samanta to induce him and Abinash Manna to secure votes for respondent No. 1; and did Surendra Nath Samanta pay Rs. 20 out of the said Rs. 50 to Abinash Manna as alleged in paragraph 5A(2) of the petition?

- (b) Does Lok Sevak regularly receive Government advertisements for publication?
- (c) If issues (a) and (b) are answered in the affirmative, was respondent No. 1, therefore, disqualified from seeking election to West Bengal Legislative Assembly?
- The allegations made against respondent No. 4 in paragraph 5C(4) of the petition are too vague to be made the subject matter of an issue.

- (f) Did issue of ballot papers to voters at polling stations Nos 127/52, 127/53, 127/122 and 127/9 continue after 5 p.m. as alleged?
- (g) Was secrecy of voting not maintained at polling stations Nos. 127/52, 127/53, 127/50, 127/51, 127/55 and 127/57?
- (h) Were the rooms in which ballot boxes were placed in all the polling stations except polling stations Nos. 64, 65, 66, 67, 68, 69 and 70, so dark that it was difficult for voters to distinguish the symbols of different candidates?

- (i) Were the ballot boxes at polling stations Nos. 127/67, 127/64 and 127/50 placed so low that the voters could not easily notice the symbols of different candidates?
- (j) Did the irrogularities referred to in issues 8(a) to (i), if established, materially affect the election of respondent No. 1 to Mahisadal Constituency?
- 9. Does the account of election expenses filed by respondent No. 1 not fulfil the requirements of the law?
- 10. Did the Presiding Officer at polling station No. 127/57 and his assistants canvas for respondent No. 1 at village Kalikakunda as alleged in paragraph 6 of the petition. If so, its effect?
- 11. Should the election of the returned candidates be declared void?
- 12(a). Where the corrupt practices referred to in the above issues committed by respondent No. 1 or his election agent or by some other person with the consent of respondent No. 1 or his election agent?
- (b) Were the corrupt practices referred to in the above issues and imputed to other respondents committed by them or their election agents or by some other person with the consent of such candidates or their election agents?

Before dealing with the issues and evidence of the parties I should like to recall the observations of Mahajan C.J. in Jagannath rs. Jaswant Singh and others 9 E.L.R. 231, where he enunciates the rule which should guide us in our approach to such cases as the one before us. The learned Chief Justice observed:

I will now take up one by one the corrupt practices which according to the petitioner rendered the election of the returned candidates invalid.

Bribery: This forms the subject-matter of issues 1, 2 and 3.

In connection with the charge of bribery the petition mentions the names of three persons through whom this corrupt practice was alleged to have been committed by respondent No. 1. These are (1) Bepin Behari Paul, (2) Surendra Nath Samanta and (3) Subal Chandra Samanta. I will deal with each of them separately.

Issue 1

Bipin Behari Paul: The petitioner's case with regard to Bipin Behari Paul is clear. He belongs to Gopalpur. According to the petitioner till a month before the poll voters in and round about Gopalpur "were showing a distinct leaning" for Deba Prasad Garga respondent No. 3 and Mahatab Chand Das, respondent No. 2, the candidates set up by the Congress Party. Respondent No. 1 Dr. P. C. Ghosh was aware of this. Accordingly on February 4, 1957 when Dr. Ghosh went to Gopalpur, he requested Bipin Behari Paul to use his influence with the electors so that they might not vote for Garga. He further offered him moncy to induce the voters to cast their votes for Dr. Ghosh. That Bipin Pehari wanted time to consider over the matter. About a month later Dr. Ghosh came to Mahisadal, sent for Bipin Behari and inquired of him about his decision. Bipin Behari expressed his willingness to work for Dr. Ghosh provided he gave him Rs. 500. Eventually Dr. Ghosh agreed to pay him Rs. 400 and out of the amount paid him Rs. 200 forthwith, promising to pay the balance after the election. Thereafter Bipin Behari himself canvassed for Dr. Ghosh and secured him a number of other supporters and agents. [Paragraph 5(A)(1) of the petition.]

To support this version the petitioner examined Bipin Behari Paul and P.Ws. 2, 7, 10, 18, 32 and 34.

According to Bipin Behari's evidence Dr. Ghosh was not known to him. On the 4th of February 1957 when Dr. Ghosh went to Bipin Behari's village Gopalpur to address an election meeting one Dr. Khudi Sahu approached the witness and asked him to preside over the meeting which Dr. Ghosh was to address. Bipin Behari expressed his inability to do so as he was busy with arrangements for Saraswati Puja and at his (Bipin Behari's) suggestion the meeting was presided over by Dr. Khudi Sahu himself. At the and of the meeting Dr. Sahu teld Bipin Behari that

Dr. Ghosh wanted to see him. He thereupon went to Dr. Ghosh. Dr. Ghosh said to him, that as he belonged to Milan Parishad and knew many people he should try to secure votes for him (Dr. Ghosh). To this Bipin Behari replied "If one has to get votes here, it cannot be done empty handed". Thereupon Dr. Ghosh observed that he would see to this later. Nothing further was done in this connection for about a month when Dr. Ghosh again tried to contact Bipin Behari and sent 3 or 4 men to him, one after other. Ultimately it was arranged through Nagendra Nath Bhuiyan that Bipin Behari should meet Dr. Ghosh on the 4th of March at Mahisadal. On the 4th of March Bipin Behari went to Mahisadal. He took one Ashutosh Pagh with him. They met Dr. Ghosh who inquired of Bipin Behari how far he had proceeded with the work. To which Bipin Behari replied "nothing can be done without money". On further inquiry by Dr. Ghosh, Bipin Behari said "you shall have to pay Rs. 500." Eventually Dr. Ghosh agreed to pay Rs. 400 and handed over Rs. 200 to the witness immediately. He asked Bipin Behari to carry on the work and promised to pay him the balance after the election. Bipin Behari tells us that after this he began to work for Dr. Ghosh.

I have gone into the evidence of this witness at some length so that we may have an idea of the character of the person we are dealing with. On his own admission he has no political convictions or to use his own language "political leanings". He never took part in any political agitation and does not belong to any political party. Why Dr. Ghosh approached him and tried to enlist his support is not clear. He is the Secretary of Milan Parishad, a social club or society in his village and there is a suggestion in his evidence that Dr. Ghosh approached him as he wanted the support of Milan Parishad. It is significant to note that the President of Milan Parishad, Janmejai Bagh, is a Congressman. He has been in the Congress party for 10 or 12 years and was lately elected a member of the Congress Committee in his locality. In spite of this Bipin Behari tells us that Milan Parishad supported Dr. Ghosh in the election.

Another feature of the story narrated by this witness which attracts attention is that though according to him Dr. Ghosh wanted to win his support early in his election campaign he made no serious attempt to get the witness to work for him till just two days before the poll. The poll was fixed for the 7th of March. According to the witness Dr. Ghosh first met him on the 4th of February and asked him for his support. The witness told him that nothing could be done "empty handed". Bipin Pehari says that Dr. Ghosh replied he "would see to it later". But nothing was done for one month and it was just two days before the poll on the evening of the 4th of March that Dr. Ghosh again broached the subject with him and when Bipin Behari and again that nothing could be done without money and insisted upon payment Dr. Ghosh asked him how much he wanted? Whereupon Bipin Behari demanded Rs. 500 and eventually the matter being settled at Rs. 400, Rs. 200 was paid immediately. We know from P.W. 18 Ashutosh Maity that about 8 days before the poll Bipin Behari and other electors were discussing the question of elections while taking tea at his shop. He heard them say "we shall all vote for Raja" (Deba Prasad Garga). Maity further stated that about three days before the poll he heard Bipin Behari say to one Kanai Bhuiyan that he should vote for Dr. Ghosh. Maity says that thereupon he twitted Bipin Behari about change of sides. P.W. 32 Radha Krishna Adhikari also tells us that Bipin Behari and Ashutosh Pagh had been canvassing for the Raja previously. It is surprising to a degree that though according to Bipin Behari Dr. Ghosh was anxious to win his support he allowed the matter to stand over till just two days before the election and then paid Rs. 200 to a person who had till then been canvassing for his rival. If there is any truth in the statement of Ashutosh Maity, till about 8 days before the election Bipin Behari has no political convictions, he is a person without any character or principle. On the evidence of Ashutosh Mait

began to canvass for Dr. Ghosh. Naturally one would hesitate a good deal before accepting the evidence of such a witness. Bipin Behari tells us nothing about the balance of Rs. 200 that Dr. Ghosh had promised to pay him after the elections. Nor does he furnish any reason why having accepted Rs. 200 from Dr. Ghosh and supported him in his election, he now betrays him and appears as the chief witness against him?

Reference was prominently made to two other persons in the evidence of Bipin Pehari Paul—Ashtutosh Bagh and Kanai Bhuiyan. They were also called as witnesses for the petitioner. It does not require much perspicacity to see that these two names were introduced in Bipin Behari's evidence with the sole purpose that they might corroborate him about the payment of Rs. 200 to him by Dr. Ghosh. Ashutosh Bagh P.W. 10 also belongs to Gopalpur. He did not know Dr. Ghosh nor did he have any business in Mahisadal on the 4th of March. Bipin Behari says in his evidence, however, that on the 4th of March when he was going to Mahisadal he took Ashutosh Bagh with him. He says "Ashutosh Bagh said to me why do you want to take me to Mahisadal with you at this time. I said let us have a walk to Mahisadal". According to Ashutosh Bagh it was his intention as also that of other persons in his village to vote for Deba Prasad Garga. While taking him to Mahisadal on the 4th of March 1957 Bipin Behari said to him "if we can secure some votes for Dr. Ghosh then we may be able to get something for our Milan Parishad." To which Ashutosh Bagh replied "How is it possible? We have decided to give our votes to Deba Prasad Garga". Bipin Behari thereupon said, "We shall get something for Milan Parishad and if you can secure some votes for Dr. Ghosh you shall get some money from which you can pay something to the voters and something will remain for the benefit of our Milan Parishad also". According to Ashutosh Pagh while they were thus discussing the election affairs Dr. Ghosh's car was seen coming in their direction. The car stopped where Bipin Behari and Ashutosh Bagh were standing. Thus an occasion was created for this witness to hear what Bipin Behari and Dr. Ghosh said to each other and see that Dr. Ghosh and Rs. 200 to Bipin Behari. Ashutosh Bagh further says "After Dr. Ghosh's car drove away and we were proceeding to the bazar we met Kanai Bhuyan. Bipin and Kanai were holding a discussion amongst themselves and I went to the bazar". Therea

The other name referred to in Bipin Behari's evidence is that of Kanai Lal Bhuiyan P.W. 7. He also belongs to Gopalpur. How he chanced to be present in Mahisadal Bazar at the crucial time is not clear but we are told that he was present in the bazar. He says, "I saw Bipin Babu with Dr. Ghosh 2 or 3 days before the election. Dr. Ghosh was scated in the car and was speaking to Bipin Pabu and Ashu Bagh. I saw this from a distance. When I was approaching, I saw Dr. Ghosh handing over some papers to Bipin Babu. I imagined that probably it was some money that was being paid........ when I came close to Bipin Babu I said to him. Well Bipin Babu what discussion were you having with Dr. Ghosh? Do you want to wax fat? On that Bipin Babu became extremely annoyed with me and toook me to task saying 'Why do you suggest such a thing'? Then he took me to a tea shop towards the bazar and after making me drink tea he made a proposal to me that he would give some money to us and we should vote for Prafulla Babu'.

Having considered the evidence of both these witnesses Ashutosh Bagh and Kanai Bhuiyan carefully I am satisfied that they are not witnesses of truth and cannot be relied on. Neither of them had any business in Mahisadal on the 4th of March. Ashutosh Bagh was persuaded to accompany Bipin Behari on the pretext that they might have a walk up to Mahisadal and Kanai Lal Bhuiyan just chanced to be present at the spot where Dr. Ghosh and Bipin Behari were talking to each other. He saw Dr. Ghosh give some papers to Bipin Behari and "imagined" that Bipin Behari had received money from Dr. Ghosh and taunted him about it. He said to Bipin Behari "Bepin Babu—Do you want to wax fat?" This was resented by Bipin Behari who protested against Kanai Lal's suspicion and immediately entertained him to tea at a tea-stall and then proposed to him that in consideration for some money that would be paid to him, he should vote for Dr. Ghosh. I am clear that both these names—Ashutosh Bagh and Kanai Lal Bhuiyan—were introduced in the evidence of Bipin Behari only to furnish corroboration of his own statement that Dr. Ghosh paid him Rs. 200 on the 4th of March 1957.

P.W. 2 Bhupati Panda is a grocer of Gopalpur. He was called to prove an admission by Bipin Behari that he had received Rs. 200 from Dr. Ghosh as consideration for lending him his support in the last election. He further

stated that Bipin Behari paid Rs. 15 in his presence to Kanai Bhuiyan and Kartick Bhuiyan to win their votes for Dr. Ghosh. According to the witness Bipin Behari had deposited Rs. 100 with him. It was out of this sum that he paid Rs. 15 to Kanai and Kartik. There is no entry in his accounts about this deposit and we are asked just to take Bhupati's word for it.

P.W. 32 is Radha Krishna Adhikari. He is yet another chance witness who was called to corroborate the statement of other witnesses referred to already that on 4th March 1957 (21st of Phalgun) he saw Dr. Ghosh hand over two packets of notes to Bipin Behari Paul in Mahisadal bazar. He admitted that previously both Bipin Behari and Ashutosh Bagh had been canvassing for the Raja (Deba Prasad Garga). He states that he was at a distance of about 100 cubits when he saw Bipin Behari and Ashutosh Bagh standing near a car and talking to some one inside the car. While passing by the car he saw Dr. P. C. Ghosh hand over two packets of notes to Bipin Behari.

P.W. 34 is Janmejoy Bagh. He was called to prove that he saw Bipin Behari working in the election for Dr. Ghosh. He is an old Congressman and has lately become a member of the Congress Committee in his village. He cannot be considered to be an altogether disinterested witness.

Two other witnesses—Nirapada Samanta P.W. 9 and Prasanna Kumar Guria P.W. 8—were called to prove that on the day of poll Bipin Behari paid them money to induce them to vote for Dr. Ghosh. These are instances of bribery to which no reference was made in the petition. Accordingly the evidence of these witnesses cannot be taken into consideration. Apart from that we find that the name of P.W. 9 was not mentioned in the list of voters. It is very unlikely that any worker for a candidate in an election would pay money to a person to buy his vote without ascertaining whether he had a right to vote at all.

In rebuttal respondent No. 1 Dr. P. C. Ghosh entered the witness box and pledged his oath that he did not pay any money to Bipin Behari Paul and that he did not even know Ashutosh Bagh. I am of opinion that the story narrated by Bipin Behari Paul is a concocted story with no substratum of truth. Nor am I able to place any reliance on the statements of other witnesses called to support Bipin Behari Paul. I find issue 1 against the petitioner. (The date 4th of February mentioned in the original proceeding in this issue is a clerical error for 4th of March.)

Issue 2

Surendra Nath Samanta: As regards Surendra Nath Samanta, the petitioner's case, as set out in paragraph 5A(2) of the petition, is that Guna Dhar Malik was one of the supporters of Dr. Ghosh. That 8 or 10 days before the poll he requested Surendra Nath Samanta to work for Dr. Ghosh in the election. Surendra Nath said in reply that money was necessary for securing votes specially as Dr. Ghosh's rival Deba Prasad Garga was a powerful candidate. Guna Dhar Malik thereupon said that he would try his best to get money. On the 5th of March Guna Dhar requested Surendra Nath Samanta to attend the meeting which Dr. Ghosh was holding at Baibarta Hat the next day and added "the money matter would be settled then and there after consultation with Dr. Ghosh". Surendra Nath Samanta conveyed this information to one Abinash Manna. On the 6th of March Surendra Nath and Abinash Manna demanded Rs. 200 from Guna Dhar Malik as consideration for their support but Guna Dhar took Rs. 50 only from Dr. Ghosh and paid the same to Surendra Nath telling him to manage with this sum only. When Surendra Nath Samanta demurred to the small amount Guna Dhar said that he would pay him something more. Eventually Surendra Nath Samanta consented and started working for Dr. Ghosh. Of Rs. 50 received by him, he paid Rs. 20 to Abinash Manna who also started securing votes for Dr. Ghosh.

For witnesses P.W. 23 Rajendra Nath Samai, P.W. 28 Surendra Nath Samanta, P.W. 30 Abinash Chandra Manna and P.W. 36 Guna Dhar Mandal were called to support this version. Apart from the unreliability of these witnesses, we find that the version given in the petition suffers from an inherent weakness. According to the petition Surendra Nath and Abinash Chandra Manna were appointed his polling agents by Dr. Ghosh on the 3rd of March, 1957. The evidence led at the trial, however, shows that till that date Surendra Nath Samanta and Abinash Chandra Manna both were supporters of Deba Prasad Garga, the Congress candidate. Surendra Nath Samanta says in his evidence "I wanted to work for Deba Prasad Garga". Similarly Abinash Chandra Manna states that a meeting was held at Narainpur on the 21st of Phalgun (5th of March 1957) and when Guna Dhar Malik asked the people present for whom they were going to vote he (Abinash Chandra Manna) said "this year I am going to vote for the Raja". Thus it is clear that till the 5th of March both these witnesses were staunch supporters of Deba Prasad Garga, but we are told in the petition that on the 3rd of March Dr. Ghosh had appointed them his polling agents. Thus it is clear that these two are wholly unreliable persons who while they were still supporters of Dr. Ghosh's rival Deba Prasad Garga till the 5th of March 1957 accepted their appointment by Dr. Ghosh as his polling agents

on the 3rd of March, 1957. They came over to Dr. Ghosh's side only when Rs. 50 was paid to Surendra Nath Samanta on the 6th of March. That these two witnesses are quite unscruplous persons is clear from their own statements. Manna unblushingly admits that he would have worked for Deba Prasad Garga if no money had been paid to him. Similarly Surendra Nath Samanta says that he would not have worked for Dr. Ghosh if he did not get money. It is difficult to accept the evidence of such witnesses.

The two other witnesses called on the issue under consideration need not detain us long. They are P.W. 23 Rajendra Nath Samai and P.W. 36 Guna Dhar Mandal. They were called to corroborate Abinash Chandra Manna and Surendra Nath Samanta whose evidence I am unable to accept. Apart from that Guna Dhar Mandal gives a version which differs in material particulars from that given by Abinash or Samanta. He refers to some previous agreement between Guna Dhar Malik and Surendra Nath Samanta on which Samanta himself is silent. P.W. 23 Rajendra Nath Samai says, "All that I saw was that a gentleman handed over a bundle of notes to Guna Dhar Babu. Then Guna Dhar Babu came out of the crowd and said something to Surendra Nath Samanta, Abinash Manna and Guna Dhar Mandal and while speaking to them handed over some notes out of the bundle with him to Surendra Nath Samanta". This witness is a homeopathic practitioner and has his shop close by the place where the meeting is said to have been held. He did not go inside the pandal in which the meeting was held as he had simultaneously to keep an eye on his dispensary. There was a crowd of 500 or 600 persons in the pandal and it is difficult to believe that he could have seen what is said to have passed between Guna Dhar Malik and Surendra Nath Samanta from where he stood.

Dr. P. C. Ghosh stated on oath that he did not hold any election meeting whatsoever on the 6th of March. This is very likely. The poll was to begin the next morning and generally on the day previous to the poll the candidates are busy with the arrangements for various polling stations for the next morning. This would be particularly the case in a two-member constituency like Mahisadal. It is unlikely that on the evening of the 6th of March, 1957 Dr. P. C. Ghosh could have addressed an election meeting at Baibarta Hat or any other place. I am unable to believe the testimony of P.Ws. 23, 28, 30 or 36. I accept the statement of Dr. Ghosh and find the issue 2 against the petitioner.

Issue 3

Subal Chand Samanta: It was alleged that on the 3rd of March 1957 Kedar Nath Bera of village Bajitpur went to Subal Chand Samanta of Natsal and tried to induce him to vote for Dr. P. C. Ghosh and work for him in the election. Subal Chand Samanta "Due to his leaning towards the Congress candidate Deba Prasad Garga" did not agree to this. Kedar Nath Bera thereupon took out a hundle of notes, gave Rs. 70 to Subal Chand and asked him to retain Rs. 20 for himself and pay Re. 1 each to voters who "he was sure would vote for Dr. Ghosh". Subal Chand accepted the money and canvassed for Dr. Ghosh.

The witnesses called to substantiate this charge are P.W. 19 Subal Chand Samanta, P.W. 20 Kedar Nath Bera, P.W. 33 Bipin Behari Sinha and P.W. 42 Padam Lochan Bhuiyan.

Kedar Nath Bera who was called as a witness for the petitioner admitted that he worked for Dr. P. C. Ghosh in the last election but stoutly denied that he went to Natshal or that he bribed either Subal Chand Samanta or any other person to secure votes for Dr. Ghosh. Counsel for the petitioner sought permission to cross-examine him as a witness who had turned hostile—but nothing useful was elicited from him in cross-examination. Kedar Nath Bera's evidence is a severe blow to this part of the petitioner's case and makes the testimony of the three other witnesses P.W. 19, P.W. 33 and P.W. 42 unworthy of credit.

P.W. 19 Subal Chand Samanta supported the petitioner's version in a general way. But his own statement shows that he is hardly a person on whom we can rely. He was a staunch supporter of Deba Prasad Garga and protested when asked to vote and work for Dr. Ghosh. He was, however, tempted by an offer of Rs. 20 and agreed immediately to change sides. He admitted that he was not an influential person and hardly knows anything about Kedar Nath Bera who is said to have approached him with an offer of Rs. 20. He further says that he secured 44 or 45 votes for Dr. Ghosh and that he gave the names of all these voters to the petitioner 20 or 25 days after the country of votes was over. The petitioner did not mention any of these names in the petition nor did he give us these names when he entered the witness box so that we could test the truth of this statement. Kedar Nath Bera who is said to have bribed him denied that he ever visited Natshal in connection with the election. He stated that he did not even know Subal Chand Samanta.

P.W. 33 is Bipin Behari Sinha. He was one of the polling agents of Deba Prasad Garga, rival of Dr. P. C. Ghosh. All that he says is that Kedar Nath Bera and Samar Babu (husband of Dr. Ghosh's adopted daughter) went to him, tempted him with an offer of money and asked him

to change sides; but he refused to do so. No reference is made to this instance of bribery in the petition and accordingly this evidence should be excluded from consideration. Apart from that however such evidence coming as it does from a polling agent of the rival candidate has hardly any value.

The last witness pertaining to the issue under consideration is P.W. 42, Padam Lochan Bhuiyan. He states that one day previous to the poll Subal Chand Samanta went to him and asked him to whom he was giving his vote. On being told that his vote would go to Raja Bahadur, Subal Chand gave him Rs. 5 and asked him to vote for Dr. Ghosh. The witness accepted the money and voted for Dr. Ghosh. Apart from a general statement that Subal Chand canvassed for Dr. Ghosh no reference to this instance of bribery is made in the petition. Strictly speaking, therefore, in view of the provisions of section 83 of Act 43 of 1951 this evidence should not be taken into consideration. Apart from that, however, for obvious reasons the testimony of such a witness can have little value. Dr. Ghosh pledged his oath in the witness box that he did not authorise Kedar Nath Bera to pay any money to any one in connection with his election. I accept the statements of Kedar Nath Bera and Dr. Ghosh and find issue 3 in the negative.

issue 4(o) and (d)

Exercise of undue influence: It was alleged that Sripati Charan Boyal, respondent 7, threatened with social ostracism voters of Mahisya caste who did not agree to support him in his election and that he utilised his position and influence as member of the District School Board with the teachers and students to canvass and vote for him. This it was argued was a corrupt practice and materially affected the election of the returned candidates. P.W. 12 Makhan Lal Bera, P.W. 16 Jogendra Nath Samanta, P.W. 24 Tamal Chandra Mehtia and P.W. 26 Benoy Krishna Garui were called to prove these allegations. P.W. 12 stated that some workers of Sripati Charan's politics. Thereupon Sripati Charan held out a threat that he refused to support him but added that they were not influenced by this. P.W. 24 Tamal Chandra Mehtia was asked by Sripati Charan Boyal to vote and work for him. He refused to do so as he did not approve of Sripati Charan's politics. Thereupon Sripati Charan held out a threat that he would teach him a lesson. According to P.W. 26 Sripati Charan addressed a meeting at Dhakinnarkelda. He asked some influential people who had come to the meeting to warn the voters in their locality that if they did not support Sripati Charan Boyal they would be taught a lesson.

The nephew of P.W. 16 Jogendra Nath Samanta was a student in the school of which Sripati Charan Boyal was the Headmaster. The boy failed in the annual examination. The witness saw the Headmaster in that connection but was told that the boy could not be promoted. Sometime later Sripati Charan Boyal called Jogendra Nath and gave him a note containing a direction to the teacher concerned that the boy be promoted to the next higher class. Simultaneously he requested Jogendra Nath to canvass votes for him in his election. The witness produced Ex. p. 29, the note, that had been given to him by Sripati Charan. Sripati Charan Boyal did not put in appearance before the Tribunal and the case was heard ex parte against him. The evidence of the witnesses referred to above stands wholly unrebutted and I see no reason to disbelieve it. I hold accordingly that undue influence was exercised by Sripati Charan Boyal over Tamal Chand Mehtia and that some of his workers socially ostracised 4 or 5 electors of Rai Rani Chak and surrounding villages. It is further held proved that Sripati Charan Boyal attempted to interfere with the free exercise of his electoral rights by P.W. 16 Jogendra Nath Samanta.

I am of opinion, however, that these findings do not affect the result of the present petition. In the first place it is not established that these corrupt practices materially affected the result of the election so far as the returned candidates were concerned, nor is it proved that Sripati Charan Boyal committed these corrupt practices in the interest of any of the returned candidates. In fact it was not even pleaded that these corrupt practices were committed by respondent No. 7 in the interest of Dr. P. C. Ghosh or Mahatab Chand Das.

Issue 4(a), (b), (c) and (f)

It was averred that 50 to 60 per cent, voters in Mahisadal Constituency were Mahisyas. So was Sripati Charan Boyal, respondent No. 7, a Mahisya. That he himself and by his agents made a systematic appeal to voters of Mahisya caste to vote for him as he belonged to their own caste. He further asked voters of Mahisya caste to put both their ballot papers in his ballot box. This it was contended interfered with the free exercise of their electoral rights by the voters.

Though there is no definite and reliable evidence of the exact number of voters of Mahisya caste or of their proportion to the total number of electors in the constituency, it cannot be disputed that the number of electors of Mahisya caste is considerable. There is evidence both oral and documentary to show that Sripati Charan Boyal did make a systematic appeal to voters on the ground of caste. He is a Mahisya and as the number

of Mahisya voters is large in the constituency, he urged all Mahisya to vote for him. This is established by the evidence of P.W. 3 Lakshmi Kanta Chatterjee, P.W. 5 Rampada Ghosal, P.W. 6 Moti Lal Mandal, P.W. 17 Tuni Ram Maiti and P.W. 39 Mukund Mohan Baitalik. It appears that Sripati Charan Boyal asked his workers also to work on these lines and they did so. We further find that his son-in-law Shashanka Sekhar Guria who was one of his chief workers appealed to people and wrote letters requesting persons to vote for Sripati Charan Boyal as he was a Mahisya.

Ex. P17 is a general appeal to people over the signature to Shashanka Sekhar Guria saying that the interest of Mahisyas were not 'respected' by the Congress party. It warned them against the fate that was in store for them if they did not care of "the onward march of Mahisya community" and asked them to vote for Sripati Charan Boyal as he was a Mahisya and belonged to their own community. Ex. P32 and Ex. P34 are letters written by Shashanka Sekhar Guria to Ajodhya Babu and Moti Dada enlisting their support for his father-in-law and asking them to secure votes for him as he was a Mahisya.

Ex. P33 is a letter addressed to one Shashada and P34 a letter to Motida by Shashanka Sekhar Guria asking them to instruct the voters to cast both their ballot papers in the ballot box of Sripati Charan Boyal. All this evidence stands unrebutted and there is no good reason to discard it. On the evidence before me I hold, therefore, that a large number of voters in Mahisadal constituency are Mahisyas. That respondent 7 himself as also through his agents made a systematic appeal to voters of Mahisya caste on the ground of caste and thus tried to enlist their support. He and his agents further asked them to insert both their ballot papers in his ballot box

Though out of the ballot papers found in the box of Sripati Charan Boyal, 732 were rejected as invalid votes (Ex. P.W. 21'41—Final result sheet of the Election), it is not possible on the material on record to ascertain the grounds on which these ballot papers were rejected; nor is it possible on the evidence before me to hold that the election of the returned candidates was materially affected by the caste appeal resorted to by Sripati Charan Boyal.

Before bringing the discussion on issue 4 to a close I may observe that under our law a systematic appeal on the ground of caste is a corrupt practice different from undue influence, the category under which the facts forming the subject matter of this issue were put in the petition. But this does not make any difference so far as the result of the case is concerned.

Issues 5(a), (b) and (c).

No evidence was led on issue 5(a). This is found in the negative.

In view of this finding issues 5(b) and (c) do not arise.

Issues 6(a) and (b)

There is plenty of evidence that respondent No. 7 Sripati Charan Boyal is the Headmaster of Gopalpur High School. It is further proved by the evidence of P.W. 13 Jagannath Santra, that there are two sections in that school-- a general section and a technical section. Both the sections receive aid out of public revenues. The general section receives aid on what was described as "deficit basis". The school expenses are met from the fees paid by students but if there is any deficit, it is made good by the Government. The technical section receives aid as "maintenance grant". But all the same it was not disputed that it is a private school. There is no evidence to show that it is partly under the control of West Bengal Government, as alleged in the petition. The Government has no hand in the appointment and dismissal of the members of the school staff.

An argument was raised during the hearing that the Board of Secondary Education (created by West Bengal Act XXXVII of 1950), which was a body corporate with perpetual succession and in whom was vested the duty to direct, supervise, develop and control secondary education in the State, was superseded by West Bengal Ordinance No. 111 of 1954 whereof the provisions were subsequently enacted as Act XXII of 1954 and that the control of Secondary Education was taken over by the Government. Hence, it was contended, even a private High School which was accorded recognition by the Education Department must be deemed to be under Government control. I am unable to accept this contention. It is true that the Board created by Act XXXVII of 1950 was superseded by the Ordinance and the Act of 1954 to which reference has already been made. The Ordinance and the Act did not however repeal Act XXXVII of 1950 by which the Board of Secondary Education was created. The Ordinance and the Act only authorised the State Government to publish an order called supersession order which was to remain in force for such period as may be specified therein. The only consequence of supersession order passed under the Ordinance or the Act was that President, the members of the Board and

of the Executive Council, etc. vacated their offices and, all their duties and functions so long as the supersession order remained in force were performed by an Administrator appointed by the State Government.

In the first place the latest order of supersession passed under Act XXII of 1954 was to expire on September 30, 1955 (see Notification No. 7668Edn. 8B-57/54, dated 15th October, 1954 published in Calcutta Gazette Extraordinary, dated 15th October 1954, Part I, pages 1439-1440). No subsequent notification extending the period of supersession order, nor any fresh supersession order passed after September 30, 1955, was brought to my notice.

Apart from that, however, Act XXXVII of 1950 has not been repealed. The Board of Secondary Education, a body corporate with perpetual succession continues to subsist. Only its constitution has been changed. A body corporate with perpetual succession created by an Act of the State Legislature is not the same as the State Government. It is a distinct and separate legal entity. The contention urged by the petitioner's counsel that the school of which respondent No. 7 was the Headmaster is partly under the control of the Government of West Bengal cannot be upheld. It cannot be said that Sripati Charan Boyal holds an office of profit under the Government of India or the Government of a State specified in schedule I of the Constitution. He was accordingly not disqualified under Article 191 of the Constitution to be chosen as a Member of West Bengal Legislative Assembly.

Assuming, however, for the sake of argument, that Sripati Charan Boyal was disqualified under Article 191 of the Constitution to be chosen a Member of Bengal Legislative Assembly, it would not affect the result of the present ase. It was so held by the Supreme Court in Durga Shanker Mehta Vs. Th. Raghuraj Singh and others, 9 E.L.R. 494. In that case a candidate who was apparently qualified and whose nomination paper was not objected to was allowed to contest the election. Subsequently it was found at the trial of an election petition that the candidate in question was actually disqualified from seeking election. It was held by their lordships in these circumstances, that the case was not one of improper acceptance of a nomination under section 100(1) of the Representation of the People Act, but one of non-compliance with the provisions of the Constitution within the meaning of Section 100(2)(c) of the Act and the whole of the election could, therefore, not be declared void. In the present case if Sripati Charan Boyal had been elected and were actually found to be disqualified only his election and not that of the other candidate elected would be declared void.

issue 6(c).

It was further contended that Sripati Charan Boyal was a member of Midnapur District School Board "and for this received money from the West Bengal Government". No evidence has been led to show that Sripati Charan Boyal draws any salary for his membership of the District School Board. All that is shown is that he drew from the District School Board some money in 1956 as travelling allowance for attending the meetings of the Board (P.W. 14 Amarendra Kumar Maity). My attention was not invited to any evidence which would show that the District School Boards were under the West Bengal Government and not under the Board of Sccondary Education. Apart from that, however, a member of the Board who draws travelling allowance for attending the meetings of the Board cannot, in my opinion, he said to hold an office of profit under the State Government. Even if he is held to be disqualified from seeking election on that ground, the case would be covered by the decision to which reference has already been made (9 E.L.R.—494—Durga Shankar Mehta vs. Th. Raghuraj Singh and others).

Issue 7.

There is no satisfactory evidence on this issue and it is found against the petitioner.

Issues 8(a) and (d).

It was complained that the ballot boxes of respondents 1 and 2 at polling stations 127/70 and 127/98 and of respondents 6, 5 and 2 at polling station Nos. 127/67, 127/46 and 127/19 were not placed in the proper order. P.W. 5 Rampada Ghosal supported this part of the case about polling station Gopalpur and P.W. 44 Sudhir Das and P.W. 45 Rash Behari Bhuiyan about polling station Kashtkhali. Curiously enough, however, no complaint about this appears to have been made by the polling agent of any candidate to the Presiding Officer. Obviously the Presiding Officers of these polling stations were the best persons to speak about this matter, but none of them was called. Apart from that, however, there is no reason to suppose that the election of the returned candidates was at all, far less materially affected by this non-compliance with the provisions of the relevant rules.

lesues 8(b) and (c)

It was alleged that labels bearing the symbol of respondent No. 5 got detached from the ballot boxes at polling stations 127/51 and 127/53 and

that these lables were put under his ballot boxes. It was turther alleged that there was no symbol of respondent No. 3 on the ballot box at polling station No. 127/81 for two or three hours. Some witnesses were called to depose to these averments, but there was no evidence that any written complaint was made about it to the Presiding Officer concerned nor was the Presiding Officer of any of these polling stations called to explain what actually happened. Even if we assume (though I do not hold it proved) that these allegations were true, in an election in a two-member constituency where over one and a half lac of people cast their votes such occurrences here and there are not unlikely. There is however no evidence to show that this at all, far less, materially affected the election of returned candidates. If the Presiding Officers of any of these polling stations had been called to throw light on the matter we would have had the true picture before us. But as the election of the Returned candidates is not shown to have been affected thereby the matter is of no consequence.

issue 8(e).

It was complained that the poll at polling stations 127/20 and 127/101 started late. P.W. 29 Niwaran Chand Bhomik who was the polling agent of respondent No. 2 Mehtab Chand Das at Dhakinnarkelda stated that at that polling station the poll started at 8 a.m. P.W. 40, Anadi Ranjan Das and P.W. 41 Sachinandan Sahu were called to prove that the poll at Bar Sundra polling station started at 8-15 a.m. No complaint written or oral appears to have been made wth regard to this matter to the Presiding Officer at either of these polling stations. We have no evidence to show that any elector who came to east his vote returned without doing so on account of late start of the poll, if in fact it started late. Nor were the Presiding Officers of these polling stations called to throw light on this matter. On the evidence before me I am unable to hold that the polling at these two polling stations began late. I further hold that the election of the returned candidates was not materially, if at all, affected thereby.

Issue 8(f).

It was alleged that at polling stations 127/52, 127/53, 127/122 and 127/9 ballot papers were issued to voters even after 5 p.m., the hour fixed for close of the poll. I have no doubt that if this had happened the polling agent of one or other of the seven candidates who contested the election would have protested and put in a complaint in writing about this irregularity in conduct of the election. There is no evidence that this was done, nor have the Presiding Officers of these polling stations, who would have furnished the best evidence on the point, been called. I am in these circumstances unable to hold that any ballot papers at the above mentioned polling stations were issued after the hour fixed for close of the poll.

Issue 8(g).

It was further averred that secrecy of voting was not observed at polling stations 127/52, 127/53, 127/50, 127/51, 127/55 and 127/57. Some evidence was led to show that at some of these polling stations the polling apartments had each a window from which a person standing outside could see the voter when he entered the compartment to cast his vote. None of the witnesses who deposed to this fact went so far as to say that at any of these polling stations persons standing outside could see in which ballot boxes the elector was inserting his two ballot papers. If the arrangements made at any polling station were such that secrecy of voting could not be observed. I have no doubt the Presiding Officer concerned would have been called and asked to describe the position of the windows in these polling stations and the position of ballot boxes in the polling compartments. There is no substance in this plea. Nor is the election so far as the returned candidates are concerned proved to have been affected by non-observance of secrecy of the poll at any polling station.

issue 8(h).

It was complained that all the polling stations in the constituency except Nos. 64, 65, 66, 67, 68, 69 and 70 were so dark that it was difficult for the voters to distinguish the symbols on the ballot boxes of different candidates. P.W. 4, P.W. 5, P.W. 6, P.W. 25, P.W. 26, P.W. 44, P.W. 45 and P.W. 46 all deposed that there were insufficient light at the polling stations at which they went to cast their votes. Some of them stated that there was only one Hurricane lantern in the compartment and it did not give sufficient light. May be that the conditions at all the polling stations were not ideal, but there is no evidence that any of the voters or any polling agent of a candidate brought this matter to the notice of the Presiding Officer concerned. Nor does any of these witnesses say that he cast his vote in the wrong box because he could not distinguish the symbols of different candidates on account of insufficient light. This is a frivolous objection and the election of the returned candidates is not proved to have been affected materially or at all on account of insufficiency of light in any polling compartment.

Issue 8(i).

It was averred that the ballot boxes at polling station Nos. 127/67, 127/64 and 127/50 were placed at such a low level that the voters could not easily notice the symbols of different candidates. There is some evidence that the ballot boxes of the candidates at these polling stations were placed on benches which were not sufficiently high, but there is no evidence that the voters could not for this reason clearly see the symbols of different candidates or that any voter cast his vote in the wrong box on that account. This plea has no substance.

Issue 8(j).

As already indicated in the discussion of issues 8(a) to (i) the election so far as the returned candidates were concerned was not materially affected by any or all the facts that formed the subject matter of these issues either singly or collectively.

Issue 9.

This plea, as is clear from the form of the issue, was raised in a very vague manner. At the trial an attempt was made, while Dr. P. C. Ghosh was in the witness-box, to bring out by reference to voucher No. 5 of the statement of his election expenses that the cost of paper used for printing the matter to which that voucher related was not included in the statement of expenses. Dr. Ghosh explained this by telling us that the figure Rs. 149-11-6 included both the cost of paper and printing charges.

Some doubt was sought to be east on the accuracy of voucher No. 5 by reference to vouchers Nos. 20 and 21. I accept Dr. Ghosh's explanation that the items mentioned in vouchers 20 and 21 were not included in the figure mentioned in voucher No. 5. Those, he said, were separate items altogether. There is no material on which it can be held that the statement of account filed by Dr. Ghosh was not in accordance with the rules bearing on the subject.

Issue 10.

It was cimplained that the Presiding Officer appointed for Kalika Kunda, when he reached the polling station on the day previous to the poll, tried to canvass votes for respondent No. 1, Dr. Ghosh. This was stated by P.W. 15 Gopal Krishna Maity and P.W. 49 Kanai Lal Samanta. They are corroborated by P.W. 37 Nitai Charan Maity and P.W. 1 Anadi Mehta. Curiously enough, however, we are not told the name of the Presiding Officer so that he could be called and questioned on the subject. Even the petitioner, Anadi Mehta who claims to have personally heard the Presiding Officer of Kalika Kunda Polling Station canvass votes for Dr. P. C. Ghosh on the 6th of March 1957 is unable to give us either the name or the addressof this Presiding Officer or of any of his assistants who were also said to have been present at the time the canvassing for votes was going on. All that is said about this Presiding Officer is that he was an outsider. It is extremely difficult to rebut such a charge.

The petitioner left it to the respondents or to the Tribunal to ascertain the names and addresses of this Presiding Officer and his assistants and to examine them. I am not at all impressed with the evidence of these witnesses as according to them the Presiding Officer was canvassing votes for Dr. P. C. Ghosh not secretly but openly in the presence of three or four of his assistants and the general public. This is very unlikely. On the material before me I am unable to hold that the allegations made against the Presiding Officer of Kalika Kunda polling station are proved. Even if the allegations were proved, there is no sufficient material on the record on which it could be held that this non-compliance with the provisions of section 129 of Act 43 of 1951 materially affected the result of the election so far as the returned candidates were concerned.

Issue 11.

In view of the findings recorded above, there is no ground for declaring the election of the returned candidates to be void.

Issue 12(a).

I am clear that none of the corrupt practices imputed to respondent No. 1 or his election agent or to other persons who acted with the consent of respondent No. 1 or of his election agent are proved to have been committed by them.

Issue 12(b).

Of the other respondents, respondent No. 7 is found to have made a systematic appeal on the ground of caste to Mahisya voters of the constituency. It has further been found that undue influence was exercised by Sripati Charan Boyal over Tamal Chand Mahtia and that some

of his agents socially ostracised 4 or 5 voters of Rai Rani Chak and surrounding villages. It is also held proved that Sripati Charan Boyal attempted to interfere with the free exercise of his electoral rights by P.W. 16, Jogendra Nath Samanta. He was thus guilty of corrupt practices referred to in section 123(2) and (3) of Act 43 of 1951.

Before bringing this order to a close I may mention that on the last day on which the evidence of the petitioner's witnesses was recorded his counsel made a request for an adjournment as two of his witnesses for whom summonses were taken out and who were stated by the learned counsel to have been served with summonses were not in attendance. Their names were stated to be Shashi Majhi and Shashi Bera. This adjournment was refused as in the special circumstances of this case the petitioner was not entitled to have any of his witnesses heard and their evidence recorded. This requires some explanation.

The present election petition was filed on the 3rd of May, 1957. This Tribunal was created on the 2rd of July 1957 and the petition was referred to it for trial. Issues in the case were framed on the 6th of September, 1957 and the 1st of November, 1957 was fixed for recording of evidence. Meanwhile a writ petition was moved by the petitioner in the High Court of Calcutta against an order passed by the Tribunal. In view of this petition proceedings before this Tribunal were stayed by the High Court. The Tribunal could restart proceedings only in August 1958 and 18th August 1958 was fixed for statement of his case by the petitioner's counsel and for recording the evidence of his witnesses. As the case had been inordinately delayed owing to stay of proceedings by the High Court, the parties were warned that they should take steps to have their witnesses in attendance on the date of hearing and that no adjournment could be allowed. On 31st July 1958 the petitioner put in an application asking the Tribunal to postpone recording of evidence till an appeal filed by him against the order of a single judge of the High Court dismissing his writ petition had been decided. This application was rejected. The petitioner put in another application on 13th August 1958 again asking for an adjournment. This application was also rejected. I have given detailed reasons for doing so in my order of 18th August 1958.

The petitioner did not take any step whatsoever to secure the attendance of his witnesses and was not ready to proceed with the case on the date fixed for hearing. Finding himself in this predicament he put in an application for permission to withdraw his election petition. In view of this application for withdrawal of the election petition, the procedure prescribed by section 110, Act 43 of 1951 had to be followed. Thus the petitioner got an adjournment of the case. The 3rd of September, 1958 was fixed for hearing of the withdrawal application. On that date the petitioner put in an application for withdrawal of his first withdrawal application of 18th August 1958. For reasons given in my order of 12th September 1958, this application was allowed on payment of costs.

By this time the petitioner had arranged for the attendance of his witnesses. Though the date fixed for recording of evidence was long past and the petitioner could not have as of right asked the Tribunal to record the evidence of his witnesses, as an election petition affects not only the parties thereto but also the interest of all the electors in the constituency, I allowed him to examine such of the witnesses as were in attendance. The evidence of 51 witnesses was recorded till 20th September 1958. Having examined all his witnesses in attendance, the petitioner again asked for an adjournment stating that two of his witnesses for whom he had taken out summonses and who had been served had not turned up. No summonses were taken out through the regular channel and there is nothing beyond the petitioner's statement that Shashi Majhi and Shashi Bera had been served with summonses. Apart from that it is clear that the petitioner was not entitled as of right to examine any witnesses and it was only as a concession and for the consideration that the interest of all electors in the constituency was indirectly affected by the decision in the election petition, that the petitioner was permitted to examine such witnesses as were in attendance. No further adjournment could in these circumstances, be granted in a case like the present which had already been pending for over a year. Hence the request for adjournment was refused.

The result of the conclusions arrived at by me is that the petition is dismissed with costs. The petitioner shall pay respondent No. 1 all his costs incurred since 12th of September 1958. An order as to costs incurred earlier was passed on that date. In taxing casts, counsel's fee shall be assessed at Rs. 350.

The following finding was recorded under issue 12(b):

"Of the other respondents, respondent No. 7 is found to have made a systematic appeal on the ground of Caste to Mahisya voters of the constituency. It has further been found that undue influence

was exercised by Sripati Charan Boyal over Tamai Chand Mahtia and that some of his agents socially ostracised 4 or 5 voters of Rai Rani Chak and surrounding villages. It is also held proved that Sripati Charan Boyal attempted to interfere with the free exercise of his electoral rights by P.W. 16, Jogendra Nath Samanta. He was thus guilty of corrupt practices referred to in section 123(2) and (3) of Act 43 of 1951".

In view of this finding, respondent No. 7 Sripafi Charan Boyal is disqualified for membership of Parliament and of the Legislature of every State for a period of six years from today.
